How Is Tarleton Really?

CHANGING

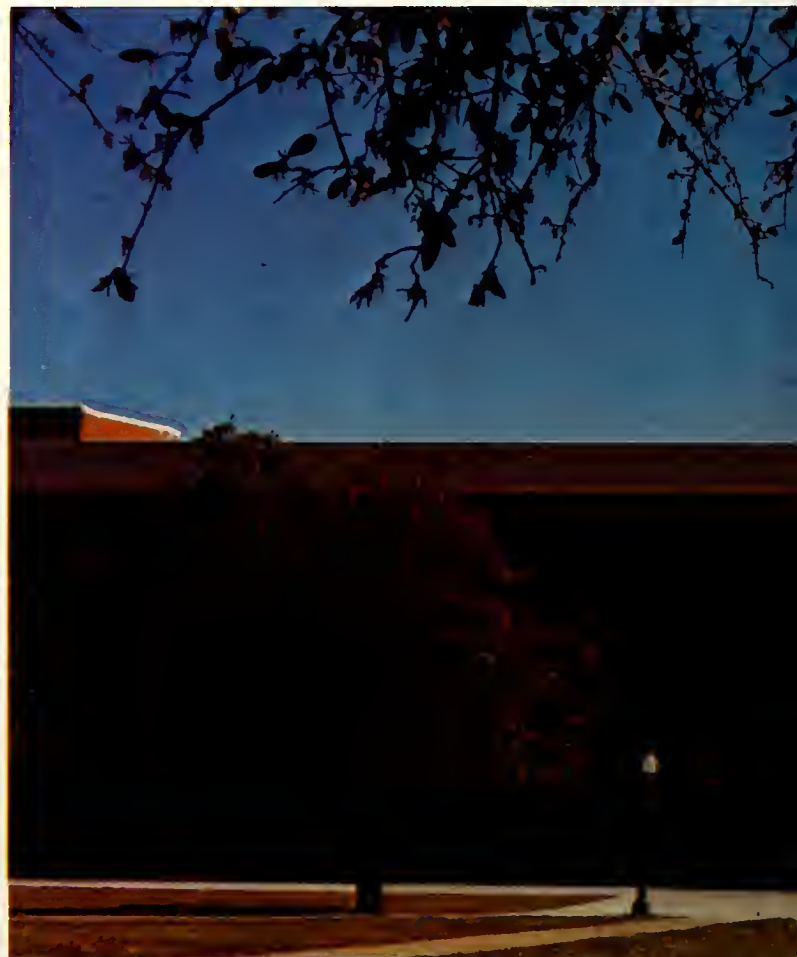

**Tarleton has a new
look this year.
We're a University!**

We've come a long way since 1899 . . . when a handful of students arrived to begin their educational careers at John Tarleton College. Since that year, Tarleton has had three name changes — John Tarleton Agricultural College . . . Tarleton State College . . . and the present new change to Tarleton State University.

Changes over the past 75 years have been many . . . this book's objective is to tell about the changes, record the feelings and excitement experienced in the year of 1973-1974. Look up your friends . . . read about what happened . . . and see if you think this is what Tarleton is really like.

Governor Dolph Briscoe signing the bill on June 3, 1973, which made Tarleton State College a University. Looking on are (l-r) Dr. W. O. Trogden, President, Tarleton State University; Dr. J. W. Autry, Vice-President, Tarleton State University; Representative C. C. Cooke, and Clyde Wells, President, Texas A&M University System Board of Directors.

TRADITIONAL

Homecoming 1973

The traditional Tarleton Homecoming was held October 15, 1973. The Homecoming activities officially started on Thursday at the Pep Rally on the Island when President Trogon began the drum beat which continued until the football game on Saturday. Homecoming nominees were presented by TSU Student Body President Ross Gillum followed by the Freshman Beauty Contest.

Mother Nature changed the tradition when the rain postponed the traditional bonfire and snake dance. The Homecoming Queen, Macky McClung, was crowned in the Cave. However, the rain cleared off by Saturday and the parade went ahead as scheduled.

The Home Game was held at 2 p.m. with the Texans playing Sam Houston. The Homecoming Queen and her court and the winning floats were presented. Also presented at the game were members of the TSU Girls' Rodeo Team of 1969-71 who were the National Intercollegiate Rodeo Association champs.

After the heart breaking loss of 7-6 to Sam Houston, students enjoyed a dance at 8 p.m. at the Cave with entertainment by "Three's A Crowd," a band composed of TSU students.

FRUSTRATING

Registration is such a hassle.

No mail again!

"Watch it, Texans!"

"Why me, Lord?"

Getting tickets is a common thing at Tarleton.

TALENTED

Linda White (Becky Thatcher) and David Riggins (Tom Sawyer) in the performance of "Tom Sawyer" presented by the Tarleton Players in February and March 1974. The Players are the only theatrical group on the Tarleton campus and present several outstanding plays each semester.

Three's A Crowd, a band composed of seven Tarleton students, performed for several Tarleton dances and civic affairs this year.

John Davis, TSU freshman, was winner of the 1973 Talent Show sponsored by the Tarleton Student Center.

THE DRILL TEAM (Opposite)

The Tarleton State University Drill Team was formed in the Fall and got underway in January 1974. The instructor of the group is Paula Foster, former captain of the Apache Bells and a former Dallas Cowboy cheerleader. The thirty Tarleton coeds participated in an hour class four days a week this Spring and will receive a one hour Physical Education credit per semester. The name of the group is "The Texan Stars," which was chosen by the girls. They will begin performing at all events next fall such as football and basketball games, parades, and Homecoming.

THE JAZZ ENSEMBLE (Below)

The Tarleton State University Jazz Ensemble performed at the Expo '74 World's Fair in Spokane, Washington in May. The Jazz Ensemble was the only instrumental group from Texas to be invited to perform at the World's Fair. The Ensemble was designated Ambassador of Goodwill from the State of Texas to Expo '74 by Governor Dolph Briscoe. They performed at the International Fair on May 23-24. Dennis Guillaume is sponsor of the twenty-member jazz group.

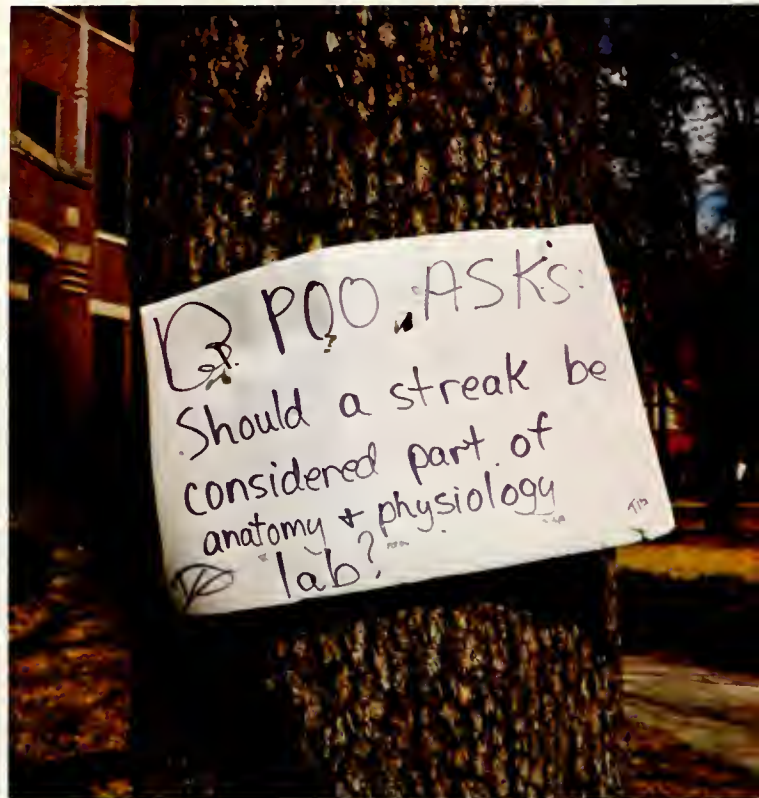

SURPRISING

Streaking at Tarleton?

"Streaking," the IN thing on American college campuses this year, found its way to the Tarleton campus this Spring. Several students streaked around the campus but were never apprehended. Maybe it's because students are in better running shape than the campus officials.

Campus officials gathered in front of the Dining Hall late one night to apprehend students from a rumored streak. However, the streakers never showed up!

WET

CARING

Student Senate sponsored a Blood Drive in the Fall (top), a Christmas party for the Old Folks Homes of Stephenville, (middle left), and organized the Plyant Fund which went to Mrs. Barbara Plyant, TSU post office clerk for her husband's serious illness.

BEING HAPPY

IS WHEN . . .

You're finally able to digest the food in the Dining Hall.

You're in love.

You're crowned Tarleton Homecoming Queen.

You get to try on a Senior as a Freshman.

You can look at the yearbook finished.

You made 90 on your test.

You're playing ball for Tarleton.

You're drunk but can still ride your bike.

Your girlfriend makes YOU blush.

You can dance as Mr. and Miss TSU.

What Is Pledging?

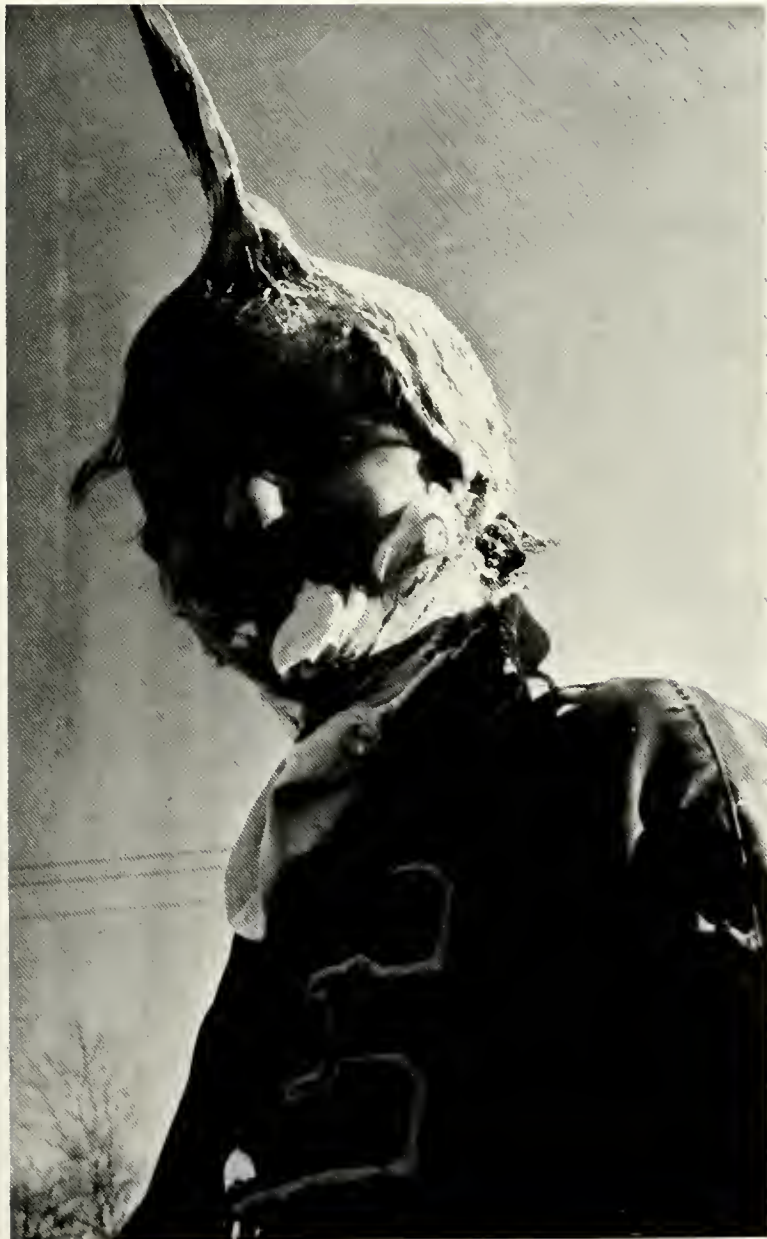

Pledging is wearing a beanie or bow, a workshirt or a sweatshirt, carrying a pledge-book at all times, and wearing a nametag.

Pledging is saying Yes Ma'm, Yes Sir, taking members on walks and getting 500 demerits.

Pledging is hell when getting a signed pair of underwear, sleeping in a bathtub, and attending those rallies and most of all — Informal!

Pledging is all worth it when you finally get to be an equal to the members and feel pride in being in a social club at TSU.

SPRING TRAINING

In the Spring, training took a tactical dent and while we trained we wondered if anybody really cared. The post-Vietnam era bred apathy on the part of many towards the American military. Some TSU students would display open hostility towards an ROTC uniform. These were not veterans. They often displayed "America — Love it or Leave it" stickers on their cars and pickups.

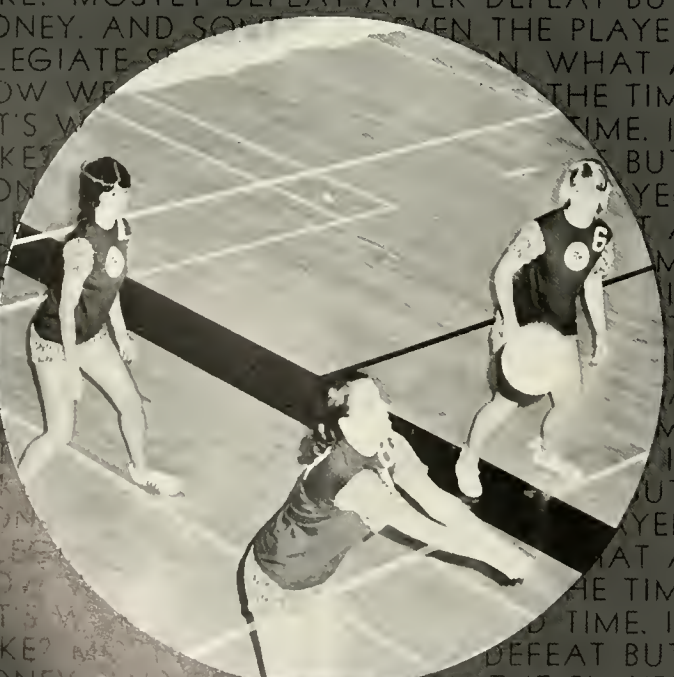

And we still wondered.

TSU TEXANS SENIORS

Standing, L-R: Wright, Mogonye, Dillard, Stafford, Placke, Grounds, Miller. **Seated, L-R:** Morgan, Stasey, Neill, Crews, Weaver, and Tischler.

Coach Buddy Fornes' first year as Head Coach of the Tarleton Texans proved to be a disappointment. Plagued by fumbles and injuries, the Texans struggled to a 1-9 season. However, the Texans always played with extreme pride and never gave up, even defeat after defeat.

Next year the Texans will have a rebuilding year after losing thirteen key seniors.

Quarterback Danny Russell looks around for a teammate for a quick handoff. (Opposite), Watson Wright jumps high for a pass.

BASKETBALL

The Texans had a fine 1973-74 season by winning seven Lone Star Conference games which was the most wins Tarleton has had since being in the Lone Star Conference the past five years. In his first year as TSU head coach, Jerry Stone was named co-winner in the balloting for LSC Coach of the Year.

Basketball games drew the best attendance from the student body and several close and exciting games brought out the crowds' enthusiasm for the team.

The Texans only lose three seniors, and with the returning lettermen and talented high school recruits, it looks even better for next year.

GOLF

The Tarleton Golf Team proved to be a disappointment in the 1974 season by finishing seventh in the Lone Star Conference after a third place win the year before.

According to Coach Campbell, the biggest problem his crew had was shooting a poor first round. An outstanding performance was given by Steve Cranford who placed on the Second Team LSC, and Jerry Doyle added to the team effort by averaging 72.5 in two LSC tournaments. The loss of Dave Parker, due to a back injury, proved to be a great setback for the team.

Coach Campbell expects to have a winning season next year, even though losing four team members, as he has recruited four outstanding Junior College golfers.

The high meet score was 48 points at Sul Ross. Out of 8 team members, seven were listed in the top 10 times in the LSC. The 440 Yard Relay Team won 3rd in the LSC.

Coach Gillespie expects to have an improved and more competitive team next year as all members are returning and also ten boys will be added to the team.

The TexAnn Volleyball squad posted a very solid record this year. Much of the team's success may be credited to the combination of rookies and returning lettermen. The high point of the season was a strong second place finish in the San Marcos Tournament. Coach Steve Steed and his team also hosted the first volleyball tournament at Tarleton this year.

On April 12th and 13th, the team qualified to go to District in Lubbock which ended the team's activities for this Spring.

TRACK

The TexAnn Track team, with four team members contributing, had a successful rebuilding year. Nancy Chism had an outstanding season by finishing eighth in the Nation in the Shot. Fallen hair
Flowing aimlessly, lovingly
About her shoulders
Soft and white.
Tender moist kisses
Cover her face,
Eyes closed
Shelter fantasies
Of love.
Her life is in her mind.
Feeling needed, she's happy.
Content for the moment
To wake by his side;
Rest now and sleep.
Tomorrow brings guilt
And wondering.
Was I foolish?
Did he use me?
Why am I here?
And leaving,
She combs,
Ties back her hair,
Not to let it fall until
She loves again.

Love is very patient and kind,
Never jealous or envious,
Never boastful or proud,
Never haughty or selfish or rude.

Love does not demand its own way.
It is not irritable or touchy.
It does not hold grudges and will
hardly even notice when others do
it wrong.
It is never glad about injustice,
but rejoices whenever truth wins out.

If you love someone you will be
loyal to him no matter what the cost.
You will always believe in him,
always expect the best of him,
and always stand your ground in
defending him.

1 Corinthians 13:4-7

We were the children.
We were thrust into a world
recovering from the most
devastating war it had known.

We were the children.
In our innocence we explored
all the untold beauties of
nature.

We were the children.
We learned at an early age
that it would take court
action to allow people of all
colors to go to school
together.

We were the children.
A barrage of threats from a
Russian leader caused
communism to appear as a menace
to our nation.

We were the children.
It took four young men from
Liverpool to disbandon
tradition and create a new
lifestyle.

We were the children.
We watched in shock as
assassins made politicians
their prey.

We were the children.
We have seen a war on the
other side of the world
greatly divide our country.

We were the children.
In a search for identity and
inner peace, we have turned
from the euphoria of drugs to
the revelation of Jesus.

We were the children.
Advancements in science,
medicine and space exploration
are taken for granted; yet we
cannot adequately provide for
many of our country's growing
population.

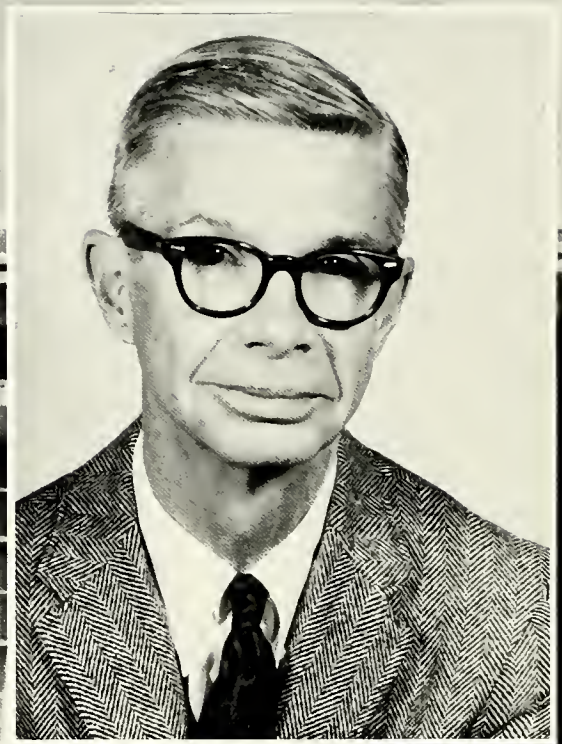

We were the children.
Our generation has caused
people to take a second look at
tradition, frequently seeing
things in a new perspective.

We were the children.
The tragedy at an Ohio
university told us that
violence was not the answer.

In the promise of a new dawn,
we who were the children, now
seek a constructive place in
our nation's future.

You know Tarleton is really a beautiful place when you get right down to it. It has new buildings, old buildings, a bunch of trees, but most of all, people — good people. People are what make this school — not rules and regulations — but the people.

People are what make this yearbook. It's so hard to put a yearbook together objectively. The main thing I've tried to do is to be fair. This yearbook has mistakes and I haven't been fair in all places but I've really tried. I always try to remember that it's Tarleton's yearbook, and not an editor's own personal one.

I hope someone of you can read this yearbook and really relate. When you do, I hope you feel that it was made for you — to tell exactly what Tarleton was like in 1974.

I like to think every student and faculty and administration member who has helped make many people are responsible for putting work into this yearbook. I could mention every name.

And thank you Tarleton for giving me an opportunity to give something back to you for you have made something. Remember — Tarleton is what YOU make it.
